Breakdown Cover

- 24 / 7 cover
- Fast and accountable response
- Offering nationwide and European breakdown cover through our various network affiliations.

As one of the major independent truck tyre dealers in the UK, Dexel offers a fast, 24 hours a day, 7 days a week breakdown cover, not only nationwide, but throughout Europe as well.

We understand the disruption caused and potential cost implications of a vehicle breakdown for our customer. This is why we consider the speed and quality of our breakdown service to be of paramount importance. For this reason we stand by the service we provide, and as many of our customer have said in the past, our service is second to none.

We are affiliated to all the major breakdown networks across Europe, not only through our partnerships with Manufacturers, but also through strong independent networks.

This range of available breakdown options means we are able to fulfil our commitment to keep you moving, by delivering a fast, accountable breakdown response, no matter where or when.

As recognition for our outstanding levels of service we are delighted to have been accredited by some of the leading Commercial Breakdown and Tyre Service networks in the world, including; Michelin Truck Professionals, Bridgestone Truck Point Dealers, Hankook Truck Masters and Continental 360 Degree network.
